about youth ministry // jan 2010

fresh

Over summer, our Sunday youth group underwent a make-over and has been re-named Stick. Having listened to feedback from our high schoolers we will be varying our weekly format at Stick. Stick won't just be a Bible study. Our program will be designed to foster a fun, safe, supporting and forgiving community. Of course, we will still be studying the Bible, but in an age and culture appropriate manner.

Also, as Christians we seek to serve society both in gratitude to Jesus' and in his footsteps. So this year at Glue and Stick, we are planning to participate in activities that aid those around us - for example: Clean Up Australia Day and Salvo's Red Shield Appeal. More details to follow.

for parents

If you have any queries, please speak directly to your child's leader when you drop off or pick them up from Glue or Stick. For further information, please feel free to contact Aaron Koh (interim trainee pastor) on 0414 865 604.

hope

Our hope is that our youth groups at WSCCC will be a fun, safe, supporting and forgiving community of high school students growing in Christian maturity, bringing Jesus to the world and serving society.

glue

We condemn the *big* sins like murder, rape and adultery but tolerate sins like bitterness, lying, envy and discontentment. At Glue in term 1 we will be confronting some these *respectable* sins.
